*******REGISTERING MARES AND STALLIONS IN NEBRASKA*******

A horse is ONLY ELIGIBLE to enter a Nebraska Bred race AFTER it has been certified at the Nebraska Breeders' Office. To certify a horse as a Nebraska-bred, the horse must meet the eligibility requirements, and an application must be filled out and submitted to the Nebraska Breeders' Office and the applicable fee paid. After eligibility has been established, all paperwork is completed and payment processed, then a Certified Nebraska-Bred may be entered in a Nebraska Bred Race.

Broodmares (in foal) and Breeding Stallions MUST BE REGISTERED EVERY YEAR.

Mares, 90 days prior to foaling, unless purchased at a nationally recognized sale, then it is 30 days prior to foaling.

Broodmares must be registered prior to the year she is due to foal. Please contact the Nebraska Breeders' Office for assistance.

To register a broodmare, please provide the following:

1. Proof of ownership such as signed papers, or a bill of sale.
2. Completed Nebraska Thoroughbred Breeders Association Form 100, Application for Registration of Broodmare.
3. Payment.

Please note: there have been some broodmares sold lately with special provisions regarding who is to be listed as the official Breeder. When a broodmare in foal is registered with the Nebraska Breeders' Office, the entity listed as her owner will be listed as the Breeder of the foal. If the sales agreement stipulates some other entity is to be listed as the Breeder of the expected foal, please submit a sales agreement signed by both the seller and purchaser detailing the exact entity that is to be listed as the breeder.

A broodmare in foal who has been registered in previous years in Nebraska MUST BE re-registered if she is confirmed in foal.

A broodmare newly purchased through private sale must have the paperwork transferred with the Jockey Club and either registered with the Nebraska Breeders or, if she was already registered for this expected foal, the registration transferred into the name of the new owner.

A broodmare purchased through public auction must have the paperwork transferred with the Jockey Club and either registered with the Nebraska Breeders or, if she was already registered for this expected foal, the registration transferred into the name of the new owner.

DO YOUR DUE DILIGENCE when purchasing any Nebraska-Bred horse. Call the Nebraska Breeders office to ascertain if a horse is certified or eligible to be certified as a Nebraska Bred.

To register a stallion, please provide the following:

1. Proof of ownership such as signed papers, or a bill of sale.
2. Completed Nebraska Thoroughbred Breeders Association Form 200, Application for Registration of Stallion.
3. Payment.

To be eligible to be a Sire of Class A Nebraska-Breds, a stallion must reside in and cover mares in Nebraska. The application and payment must be completed and submitted to the Nebraska Breeders' Office BEFORE the stallion is put into service. Stallions need to be registered for the year in which they are covering mares.

Any questions, call the NTBA office 308-384-4683

The NTBA will mail these Certificates of Registration when you receive your Mare and Stallion Reports. These are your copies. It will have the year the mare and stallion are registered for. They are for your records.

NEW POLICIES *NOTICE*

You will be required to register your mare EVERY year you want to foal out a Nebraska bred foal. Only if the mare is confirmed in foal. The NTBA will then know who to send mare and foal reports to. In the past, the office had no idea who may have bred their mare and where the mare may be located.

Stallions will also be required to be registered each year before covering any mares.

Fees will be \$50 to register or re-register Stallions and Mares each year.

You can now register, certify and join the NTBA from the web site.

END OF YEAR REPORTS

(these are reports that were sent back to office, not all send them back)

	2022	2023	2024
Mares Bred	129	126	79
Foals Born	49	52	NA

I mailed out 57 Mare and Foal reports. Only 30 sent their reports back. I sent out 14 Stallion reports. Only 8 sent theirs back. So far, 24 foals born were fillies, 17 were colts. I do not have an accurate count at all. The Nebraska State Racing Commissions asks me for a yearly count. Until breeders send me back their reports, the total is not, and will not be accurate or close. If you have a 2023 mare and foal report, could you please return them to the NTBA office. Thank you.
